

OVERVIEW / CAPABILITIES

Contract manufacturing, converting, specialized printing and packaging.

Tapecon works with Product Teams

//////////////////// to //////////////////////

IMPROVE YOUR MARKET COMPETITIVENESS

//////////////////// by //////////////////////

manufacturing functional graphics, materials, and complete products

//////////////////// to improve //////////////////////

LOOK, FEEL, AND USABILITY.

PRODUCT MANAGERS

- Improve market competitiveness
- Reduce time to market
- Reduce post-release defects

PROCUREMENT

- Achieve fair market cost
- Mitigate contractual risks
- Mitigate schedule risks

ENGINEERS

- Improve product technical functionality
- Improve manufacturing efficiency
- Improve first time quality
- Achieve regulatory compliance

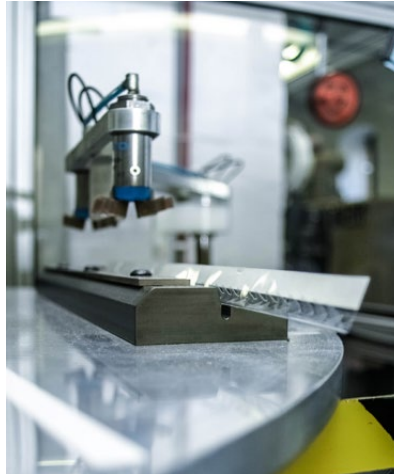

Durable Printing Processes

Digital Electrophotography
Digital Inkjet
Digital Thermal Transfer
Flexographic
Screen (Roll & Sheet)
Security Printing/Brand Protection
Microtext
Guilloches
Variable Images & Data
Raised Images & Illustrations
Security Substrates
Tamper Evident & Tamper Proof
Functional Ink Printing & Coating
Temperature Indicating
Chemical Indicating
Radiopaque

Protective Coatings
Adhesive Coating
Printing Enhancing Options
Doming
Embossing & Debossing
Holograms
Hot Stamping
Overlaminating
UV Coatings

Custom Converting & Fabrications

Die Cutting
Adhesive Laminating
Assembly
Bending
Combining Adhesive, Films & Foils
Forming
Laminating
Lead & Wire Attaching
Slitting
Creasing & Cuffing
Perforating
Punching

Printed Electronics

Conductive Inks
Printed Proximity &
Pressure Sensors

Membrane Switches

Embedded Components
Copper Flex Circuits
Backlighting
Embossing

PCB & Electronics Assemblies Contract Manufacturing

General Assembly
PCB & Electronics Assemblies
Packaging
Kitting
Pick & Place (SMT)
Process Development
Design for Manufacturability
Design for Supply Chain
Design for Testing

Technology Development

Research & Development Projects
Custom Ink Formulation
Custom Chemistry & Material
Development
Expansive Partnership Network
Access to University Research,
Scientists & IP

ISO 9001, ISO 13485 & FDA Registered, cGMP Compliant

our PURPOSE

We solve application challenges
that enhance people's lives

YOUR TRUSTED PARTNER

Family owned and operated for over **95 years** and counting
