

# MATERIALS EXPERTISE

Extensive knowledge of materials for printing, converting and packaging.

Tapecon works with Product Teams

//////////////////// to //////////////////////

## IMPROVE YOUR MARKET COMPETITIVENESS

//////////////////// by //////////////////////

manufacturing functional graphics, materials, and complete products

//////////////////// to improve //////////////////////

## LOOK, FEEL, AND USABILITY.

### PRODUCT MANAGERS

- Improve market competitiveness
- Reduce time to market
- Reduce post-release defects

### PROCUREMENT

- Achieve fair market cost
- Mitigate contractual risks
- Mitigate schedule risks

### ENGINEERS

- Improve product technical functionality
- Improve manufacturing efficiency
- Improve first time quality
- Achieve regulatory compliance

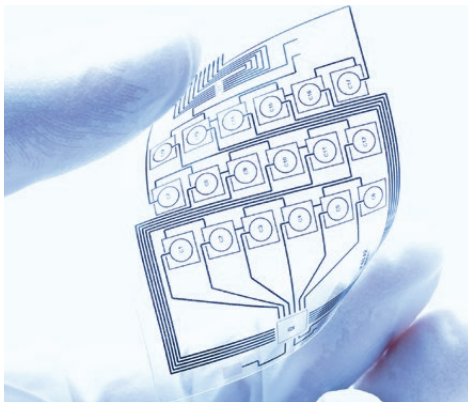

## Adhesives

Acrylic Based  
Rubber & Synthetic Based  
Silicone Based  
Medical Grade & Skin Contact  
Single & Double Coated  
Patterned Coated  
Pressure Sensitive  
Specialty Silicone Tapes  
Transfer Adhesives

## Inks & Coatings

Conductive Inks  
Insulating Inks  
Radiopaque Inks  
Temperature Indicating inks  
Sterilization Indicating Inks  
Chemical Indicating Inks  
Surface Protection Coatings  
Consigned Proprietary Formulations

## Foams

Polyethylene (PE)  
Polyvinyl Chloride (PVC)  
Polyurethane (PU)  
Double Coated  
Single Coated  
Microcellular Urethane  
Thermal Polyurethane (TPU)  
Open & Closed Cell

## Medical Materials

Hydrocolloids  
Hydro-gels  
Woven Materials  
Non-Woven Materials  
Stick-to-Skin & Biocompatible Adhesives  
Flexible Breathable Materials  
Wound Care Backing  
Medical Grade Papers  
Tear Resistant Materials (i.e. Tyvek)

## Films, Foils & Plastics

Polyurethane (PU)  
Polypropylene (PP)  
Polyester (PET)  
Polycarbonate (PC)  
Optically Clear Polyesters  
Heat Sealable Films  
Teflon  
Copper foil  
Aluminum foil  
Polyimide (Kapton™)  
Mylar™

## Other Materials

Anti-slip/Anti-skid  
Vinyl  
Acrylic  
Coated Fabric  
Electrical Insulation Materials  
EMC/EMI/RFI Shielding  
Custom Developed Materials

ISO 9001, ISO 13485 & FDA Registered, cGMP Compliant

## our PURPOSE

We solve application challenges  
that enhance people's lives

## YOUR TRUSTED PARTNER

Family owned and operated for over **95 years** and counting
